

# SMALL VOTERS LIST 2020

The Chamber of Commerce & Industry is currently upgrading its database and it may occur that some eligible voters, deceased or voter's whom are no longer in business may accidentally appear or not appear on the Voters List.

To avoid any problems on the Election Day, we would like to call upon them to please stop by the Chamber of Commerce & Industry to have their name added/changed in time for Election.

The person eligible to participate in the voting to appoint members to the Chamber Board of Directors are those who legally represent an entity as described in Article 3 of the Federal Ordinance on the Chamber of Commerce for St. Maarten. (P.S. 1944 no. 201) Secretary of the St. Maarten Chamber of Commerce.

List is provided by the Chamber of Commerce & Industry
